

Kids Count,

Too!

Did you know?
In the last
census in 2010,
Indiana counted
6,483,802 people!

23% of people
recorded in Indiana
in the last census
were ages 18 and
under. That's around
1,491,274 kids!

**Why is the
Census
Important?**
Census numbers
help drive dollars
for education,
housing, health
and public
safety.
